- 2.3 scan Material Licensed for Scanning to produce Digital Copies provided that, the School shall use reasonable endeavours to identify whether it subscribes to a digital version of the work in question and, if so, to use that digital version instead of creating a Digital Copy by scanning.
- 2.4 create Digital Copies by retyping extracts of Licensed Material onto a computer.
- 2.5 make available, or permit the making available of, Digital Copies, in both cases solely within the Secure Network.
- 2.6 make copies, or permit the making and distribution of, Accessible Copies in accordance with clause 7.
- 2.7 For the avoidance of doubt, students accessing the Secure Network remotely within the United Kingdom for the purposes of their studies may open and view a Digital Copy and print out a single paper copy therefrom, but students aged sixteen and under may only make Digital Copies under the Licence under the direction of a member of the teaching staff as part of formal teaching or school activities. Students outside the United Kingdom may receive Licensed Copies but nothing herein shall be deemed to authorise any further copying and each overseas student shall be responsible for complying with all local laws.

4 PAYMENT

The Licence Fee, together with VAT thereon, is payable within 30 days from the date of an invoice from Licensor. Licensor reserves the right to charge interest at the Prescribed Rate on any payment after such date.

5 CONDITIONS APPLYING TO THE CREATION AND USE OF LICENSED COPIES

- 5.1 The number of Paper Copies of any one item of Licensed Material taken at any one time shall not exceed the number needed to ensure that there is one Paper Copy for each member of the teaching staff and each student in the class, lesson or course of study within the academic year for which the Paper Copies are intended. Where the Paper Copies are intended for a meeting of Authorised Persons, the number of Licensed Copies shall not exceed the numbers attending that meeting.
- 5.2 The School shall ensure that Licensed Copies do not exceed either singly or in aggregate the greater of five (5) per cent of any newspaper or one article.
- 5.3 No systematic or repeated copying of the same Licensed Material or part thereof for any one class, lesson or course of study within an academic year beyond the limits set out in Clause 5.2 above is permitted.
- 5.4 The Licence does not extend to the making of Licensed Copies outside of the United Kingdom.
- 5.5 With the exception of any part of NLA Newspaper Websites that are 'free-to-view', or the NLA's Newspapers for Schools – News Library Service the School must own or have subscribed, to, an original or a copy on which it has paid a copyright fee (which shall include material supplied in either hardcopy or electronic form by a supplier licensed by Licensor to provide such a service such as, but without limitation, press cuttings suppliers) of any Licensed Material it copies, scans or uses under the terms of this Licence). The making of Licensed Copies shall not directly or indirectly substitute for the purchase of original Licensed Material or for the commissioning, reproduction, hire or any other use of an original artistic work within Licensed Material.
- 5.6 Paper Copies made in each Licence Year may be stored and used throughout the Licence Year and for the remainder of any academic year beginning within the Licence Year, but must then be destroyed unless the copies are in a satisfactory condition. Any copies retained for a subsequent academic year must be re-reported in any data collection exercise.

FURTHER CONDITIONS APPLYING TO THE CREATION AND USE OF DIGITAL COPIES

- 6.1 Except as may be permitted by this clause, by clause 7 or by statute, the School shall not edit, amend, manipulate, add to or delete from Digital Copies nor shall it authorise the same, and no digital manipulation, morphing, colour or shade adjustment or otherwise may be made of Digital Copies or Digital Material under the Licence.
- 6.2 Digital Copies may not be placed on the publicly accessible internet or be linked either directly or indirectly by hypertext links (or the like) to or from any external or third party website. Digital Copies may not be stored in open resources (such as, but not limited to electronic reserves, digital libraries or institutional repositories) to the extent that they are accessible to members of the public who are not Authorised Persons.
- 6.3 Except as permitted by the Licence, no other copying, dissemination, publication, communication or making available to the public, repackaging or distribution, in any form of Digital Copies, in whole or in part, is permitted.
- 6.4 Where any work (including an artistic work) appearing within Material Licensed for Scanning or Digital Material incorporates, or has adjacent to it, the identity of the author or creator of the work, no Digital Copy of that work shall be made unless the Digital Copy incorporates the identity of such author or creator.
- 6.5 Without prejudice to its obligations set out in Clause 6.4, the School shall use reasonable endeavours to include, where practicable, in a prominent place in all Digital Copies (or have displayed before viewing) a copyright notice containing at least the identity of the author or creator of the literary or artistic work and the title of the work from which it is made; where material to be scanned, copied, accessed or used already contains a copyright notice placed by a Rightsholder on a document, the School shall not be required to add a further notice to the document.
- 6.6 The School will delete from the hard drives of all its central and local servers any and all Digital Copies which may be stored there upon notice from Licensor that the copyright holder believes that the Licensed Material contained in the Digital Copies infringes copyright or is or may be defamatory, obscene or otherwise unlawful.
- 6.7 Where extracts of Licensed Material are retyped onto a computer pursuant to clause 2.4, the School shall ensure that the retyped extract is a verbatim copy of the Licensed Material and includes the identity of the author and title of the work from which it is extracted.
- 6.8 Notwithstanding anything to the contrary, extracts of Licensed Material and other material generated by teaching staff or students may be combined, parts may be blanked out, relevant parts may be selected, or adapted as a pedagogic exercise only (subject to photographs and illustrations not being used separately from the original article in which they appeared) provided in all instances the identity of the author and the title of the original source are clearly identified and the moral rights of the author are observed.
- 6.9 Digital Copies may not be stored on a server, or systematically indexed, with the intention of creating an electronic library or similar educational information resource of extracts of Licensed Material except that:
 - 6.9.1 Digital Copies may be stored where necessary for technical or back-up purposes or where the retention of such Digital Copies may be required by law;
 - 6.9.2 Digital Copies may be stored on a server and/or systematically indexed solely for the purposes of, and for the duration of, the class, lesson or course of study for which the Digital Copy was made and intended to be used and shall, in any event, be deleted at the end of the academic year in which the Digital Copy was made;
 - 6.9.3 Notwithstanding clause 6.9.2, if a Digital Copy is required for the subsequent academic year, it may be retained provided it continues to be reported in any data collection exercise. If not required for the subsequent academic year, but likely to be required subsequently, it may be retained provided it is not made available other than to the staff responsible for the management of digital learning resources or similar and if used again must be reported in any data collection exercise.

- 6.10 The School may subcontract the making of Digital Copies to third parties, provided that:
- 6.10.1 the School takes all reasonable steps to ensure that any such third party operates appropriate management and security procedures so as to ensure compliance with the terms of this Licence;
 - 6.10.2 a record is kept of all such subcontracts, and the Digital Copies made thereunder, and that such record is provided on request to the Licensor;
 - 6.10.3 all such subcontracts require the sub-contractor to comply, as appropriate, with the conditions of the Licence relating to Digital Copies and which, in particular, prohibit the sub-contractor from retaining any Digital Copy (or any intermediate copy involved in the production of the same) and shall include a clause conferring on NLA the right to take action directly against any such sub-contractor pursuant to the Contracts (Right of Third Parties) Act 1999;
 - 6.10.4 the use of a sub-contractor located outside of the United Kingdom shall be deemed not to be a breach of clause 2.7

7 PERSONS SUFFERING FROM A PRINT DISABILITY

- 7.1 The provisions of this clause shall only apply where an Authorised Person is visually impaired or otherwise disabled and by reason of such visual impairment or disability is unable to read or access a Licensed Copy made under the provisions of this Licence.
- 7.2 Notwithstanding the provisions of clause 5.2 the School may make and supply a copy (an "Accessible Copy") of part or the whole of any work within Licensed Material in any alternative format that is more accessible to an Authorised Person (as described in 7.1), whether in digital or audio format, large or small print copies or embossed copies (whether produced in Moon or Braille or otherwise) or in other formats on, and subject to, the following conditions:
- 7.2.1 the School must have lawful possession or lawful use of an original copy of any work from which it makes an Accessible Copy;
 - 7.2.2 the School may only make an Accessible Copy of a work if and to the extent that such work is not commercially available in a form accessible to the Authorised Person for whom the Accessible Copy is made;
 - 7.2.3 each Accessible Copy that exceeds the limits set out in clause 5.2 shall contain:
 - a. a statement that it is a copy of the original work made under an NLA Licence for the personal use of a visually impaired or a disabled person and that it may not be further copied (including any electronic copying or transmission) or dealt with without permission or save as may be permitted by law;
 - b. the title, as well as the name of the author and publisher, of the original work and the published edition from which it is copied;
 - 7.2.4 the School may only charge for the supply of an Accessible Copy an amount which does not exceed the cost of making and supplying it;
 - 7.2.5 any Accessible Copy produced in a digital format may include facilities for navigating around the Accessible Copy and any such other facilities or changes (such as enlargement, reduction or colour selection of the text or illustrations) as are necessary to enable the Authorised Person for whom the Accessible Copy is made to access the Accessible Copy provided that:
 - a. such changes do not amount to a derogatory treatment of the work;
 - b. no other digital manipulation of the work is made whether by way of optical character recognition, morphing, colour or shade adjustment beyond what is necessary to make the Accessible Copy accessible to the Authorised Person for whom the Accessible Copy is made;
 - 7.2.6 that the Accessible Copy is only to be used for the benefit of Authorised Persons.
- 7.3 An Authorised Person is to be regarded as visually impaired or disabled for the purposes of this clause if he would be regarded as a "visually impaired person" in accordance with s.31F (9) of the Copyright, Designs and Patents Act 1988, or, as appropriate, as a disabled person in accordance with s.6 of the Equality Act 2010.

8 NOTIFICATION TO SCHOOL'S STAFF

- 8.1 The School shall ensure that all its staff (and particularly those with responsibility for reprographic and scanning equipment) are made aware of the terms and conditions of the Licence, including the exclusion of certain works and categories of work, and shall take all reasonable action to ensure that all Authorised Persons comply with such terms and conditions. In particular, the School shall ensure where reasonably practicable that copies of any user guidelines, and other relevant support materials as supplied by Licensor or made available on the NLA's or the CLA's website are displayed next to all fixed-location photocopying and/or scanning machines, and next to any and all other reprographic equipment, and are drawn to the attention of all Authorised Persons.
- 8.2 The School shall appoint an Authorised Person as a Licence Co-ordinator to liaise with the Licensor in connection with the administration and implementation of the Licence.

9 DATA COLLECTION

- 9.1 CLA may, no more than once in each year, require the School to participate in a data collection exercise to identify the type of photocopying and scanning of Licensed Material and the use or re-use of Digital Material under the Licence which will assist CLA in distributing the Licence Fee to authors, artists and publishers.
- 9.2 The data collection exercise may, without limitation, take the form of a survey or a record keeping or online reporting exercise or any combination of these, including the recording of the creation of Digital Copies, in accordance with any guidelines on data collection on CLA's website.
- 9.3 If selected by CLA to participate in a data collection exercise, the School shall co-operate with CLA in conducting the data collection exercise and undertakes to ensure that its staff comply with its obligations under this clause.
- 9.4 CLA undertakes not to disclose any information obtained as a result of any data collection except:
 - 9.4.1 as required by a court or other authority of competent jurisdiction; or
 - 9.4.2 in aggregated form from which the identity of the School cannot directly be identified.
 - 9.4.3 to the NLA
- 9.5 Any survey or record-keeping exercise must include all Accessible Copies.

10 INDEMNITY

- 10.1 In this clause "Qualifying Claim" shall mean any complaint made in writing that the School acting in pursuance of this Licence has infringed copyright and/or database right in Licensed Material or in the typographical arrangement of the published edition in which Licensed Material is contained.
- 10.2 In the case of any Qualifying Claim Licensor will indemnify the School in respect of all reasonable legal costs, expenses and damages awarded against or incurred by the School including any ex-gratia payments made with the prior written consent of Licensor, provided the School has complied with the terms of this Licence and has given Licensor notice of any Qualifying Claim within ten (10) working days or, in the case of a Claim Form, within five (5) working days of the same having been received by the School.
- 10.3 The indemnity conferred by this clause shall not apply:
 - 10.3.1 if the School is in material breach of any term of the Licence; or
 - 10.3.2 during any period, or in respect of matters arising during such period, which the Licence is in suspense pursuant to clause 11.
- 10.4 Licensor will take over responsibility for any negotiations for the settlement of any Qualifying Claim and if such Qualifying Claim cannot be resolved by negotiation Licensor shall assume full responsibility for the conduct of the defence of such Qualifying Claim. The School shall co-operate with Licensor in this respect where reasonably requested by Licensor to do so.
- 10.5 The School shall ensure that no admission, or offer of payment or indemnity shall be made or given by or on its behalf or on behalf of Licensor without Licensor's written consent and shall ensure that all correspondence received in connection with a Qualifying Claim is promptly passed to Licensor.

11 BREACH AND TERMINATION

- 11.1 Either Licensor or the School may terminate the Licence upon giving at least 30 days written notice served so as to expire at the end of each Licence Year.
- 11.2 Should the School commit any material breach of any of the terms and conditions of this Licence and remain in such breach 14 days after receiving notice to remedy the same (where the breach is remediable) then Licensor, without prejudice to any of its other rights, may by notice either terminate or suspend the terms of the Licence until Licensor shall be satisfied such breaches will not recur.

12 GENERAL

- 12.1 All notices given under the Licence shall, unless otherwise specified, be in writing and be sent by first class post, in the case of the School to the address shown on the Certificate, and in the case of Licensor to: CLA, Barnard's Inn, 86 Fetter Lane, London EC4A 1EN (or any address notified to the School by Licensor), and shall be deemed to have been served on the second working day (which shall exclude weekends and English public holidays) following the date of posting.
- 12.2 The Licence may only be varied if such variance is acknowledged in writing on behalf of Licensor and the School.
- 12.3 The Licence is personal to the School and may not be assigned or otherwise disposed of in whole or in part.
- 12.4 The Licence shall be governed by English law and the parties agree to submit to the exclusive jurisdiction of the English courts as regards any claim or matter arising in relation to the Licence.
- 12.5 The parties do not intend that any term of the Licence shall be enforceable solely by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person who is not a party to the Licence.
- 12.6 Licensor shall have the right on giving reasonable notice to the School to enter the School's premises to review the implementation of the Licence by the School and their compliance with its terms and to inspect the procedures being used by it.
